## Creation: What Happened to the Dinosaurs?

II Peter 3:3 Scoffers will come in the last days... 4 saying, "Where is the promise of His coming? For since the fathers fell asleep, all things continue as *they were* from the beginning of creation." 5 For this they willfully forget: that by the word of God the heavens were of old, and... 6 the world *that* then existed perished, being flooded with water.

Genesis 7:11 ...All the fountains of the great deep were broken up, and the windows of heaven were opened. 12 And the rain was on the earth forty days and forty nights.

Genesis 7:19 And the waters prevailed exceedingly on the earth, and all the high hills under the whole heaven were covered. 20 The waters prevailed fifteen cubits upward, and the mountains were covered. 24 And the waters prevailed on the earth one hundred and fifty days.

Genesis 8:3 And the waters receded continually from the earth. At the end of the hundred and fifty days the waters decreased.

Genesis 9:11 Thus I establish My covenant with you: never again shall there be a flood to destroy the earth." 13 I set My rainbow in the cloud, and it shall be for the sign of the covenant between Me and the earth.

Luke 17:27 ...Noah entered the ark, and the flood came and destroyed them all.

Genesis 1:25 And God made the beast of the earth according to its kind, cattle according to its kind, and everything that creeps on the earth according to its kind. And God saw that *it was* good.

Genesis 6:6 And the LORD was sorry that He had made man on the earth, and He was grieved in His heart. 7 So the LORD said, "I will destroy man whom I have created from the face of the earth, both man and beast, creeping thing and birds of the air, for I am sorry that I have made them."

Genesis 6:19 And of every living thing of all flesh you shall bring two of every *sort* into the ark, to keep *them* alive with you; they shall be male and female. 20 Of the birds after their kind, of animals after their kind, and of every creeping thing of the earth after its kind, two of every *kind* will come to you to keep *them* alive.

Genesis 7:23 So He destroyed all living things which were on the face of the ground: both man and cattle, creeping thing and bird of the air. They were destroyed from the earth. Only Noah and those who *were* with him in the ark remained *alive*.

1. After the message on March 28, do you have any new understanding or appreciation for Noah's flood? Please explain.

2. If you were the man on the right, what things would you say to the scientist?

3. Has this series on creation influenced your view of God? Please explain.

4. Has this series on creation influenced your view of the Bible? Please explain.

5. What difference do you think it makes if someone believes in theistic evolution (God did it in millions of years) or 6-day creation (God did it in 6 – 24 hour days)? For example, how would this affect someone's view of God? How would this affect someone's view of the Bible?
